

Legend

- Operations Zone
- Hazardous Zone
- De-motorized Zone
- Downwind Sector
- Dark Sector
- Clean Air Sector
- Quiet Sector
- SPRESSO Quiet Circle
- Old Pole Station - No Entry
- Station buildings
- Designated camping area
- Aircraft taxi / parking - Keep Clear
- Ski-way
- Ski-way apron
- Vehicle trail
- Oversnow approach route
- Surface fuel line - Caution
- VLF antenna cable
- Meteorological towers
- Planned neutrino detector boreholes
- South Pole (2005)
- Ceremonial South Pole

Projection: Polar Stereographic; Standard Parallel 90°S;
 Latitude of Origin 90°S; Spheroid: WGS84
