****NTE CR CLINs are amounts that are Government-provided and can only be modified by the Government by contract modification.

B.6 AWARD FEE

a) The contractor may earn award fee for performance under the CPAF CLINs. The Government's purpose in granting an award fee is to encourage and reward superior contractor performance. The Award Fee Plan sets out the award fee process and is located under Section J, Attachment 1.

b) Award Fee Determination

(1) The Government will evaluate and assess the contractor's performance in 6-month increments for the first six months (from April 1 through September 30, 2012) and the last six months of this contract, if exercised (from October 1, 2024 through March 31, 2025) and

annually for all other performance periods in accordance with the terms of this contract and the Award Fee Plan, Section J, Attachment 1. The contractor may earn an award fee up to the maximum award fee pool scale set out below.

(2) The maximum award fee pool may be adjusted prior to the start date of the affected award fee period based upon negotiations and risk associated with each Annual Program Plan (APP), as mutually agreed between the Government and the ASC contractor. The Government will consider award fee sharing arrangement(s) proposed by the ASC contractor for specified subcontractor participation.

(3) The Government reserves the right to modify award fee criteria and procedures by unilateral contract modification, issued prior to the start of the affected award fee evaluation period(s).

(4) The award fee earned to be paid to the contractor and the methodology for determining the award fee earned are unilateral decisions made solely at the discretion of the Government.

(5) Award fee is subject to the Disputes Clause.

c) Maximum Award Fee Pool for corresponding Award Fee Periods/CLINs - The maximum award fee pool amounts per award fee period/CLIN are set out in the following table.

d) Award Fee Available Upon Termination for Convenience of the Government

In the event that the contract is terminated for the Government's convenience, either in whole or in part, the amount of award fee available shall be determined by the Contracting Officer (CO).

e) Payment of Award Fee

The contractor shall be paid award fee upon submittal of a proper invoice to the cognizant NSF payment office (see Section G for invoicing procedures), together with a copy of the contract modification authorizing payment of award fee for the applicable award fee period. For the first 6 months of any twelve-month award fee period, interim fee may be invoiced for 50% of the maximum award fee pool. Award fee may be invoiced for payment only after the execution of the contract modification by the CO authorizing payment. The contractor's invoice shall show the amount of award fee payable with the corresponding award fee CLIN. The contractor's invoice must cite the appropriate accounting data.
